VERY IMPORTANT INFO ABOUT PARKING

DO NOT BACK OUT ONTO OR TURN AROUND ON BAYVIEW ST. Always drive out forward, not in reverse. Turn around in the upper parking area by using the open space in front of ramp. The lower parking area has sections marked for turning around (See diagram below). **Parking is NOT allowed along on either side of Bayview Street.**

MAIN ENTRANCE (behind the building)

Use the first driveway you see on your left immediately after crossing over the bridge on Bayview. Park at a diagonal behind the house, as noted in the diagram and image below.

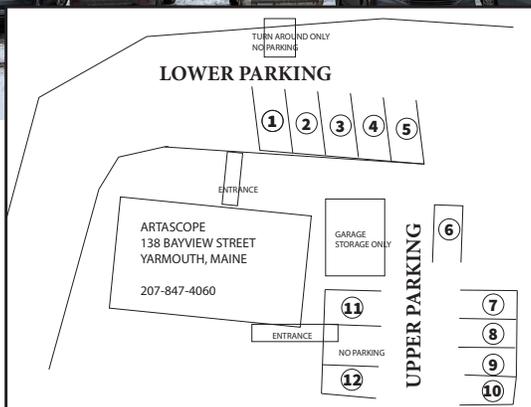

First left after bridge, then drive down to rear of building.

SECONDARY ENTRANCE (front of building)

The second entrance to the right of the house has an ADA-accessible ramp. Additional parking is here, accessible only from Bayview Street (See diagram for details).

A new door and an ADA-accessible ramp are located here.

Overflow parking is available on Old Shipyard Road located directly across the street from Artascope. You must be facing the studio by parking on the right hand shoulder, as shown here.
